**Open Letter To Our Leesburg and Fruitland Park Customers:**

We have exciting news for our Leesburg area customers! In the first quarter of 2018, we will be relocating our Leesburg branch to a brand new office at the corner of US 441 and Lee Street. We recently purchased this property and we will soon be demolishing the existing structure and beginning construction of our new office.

Also in the first quarter of 2018, we will be opening a branch office in Fruitland Park, at the corner of US 441/27 and Palm Street. These new offices will provide enhanced convenience for our customers.

Over the course of the next number of months, we will be working on the planning and construction of these offices. We will provide our customers with additional information at the appropriate times.

We look forward to continuing to be a vital part of the Leesburg area and are excited to add Fruitland Park to our network of branch offices.
