

Did You Know...

with Mobile Wallet, you can carry your Citizens First Bank debit card information in a secure digital format on your mobile device?

Say goodbye to swiping and hello to contactless payments with these easy steps:

STEP 1: Add your Citizens First Bank debit card to the mobile wallet you'd like to use.

STEP 2: Authenticate your identity with a PIN, fingerprint, iris/face scan. Then tap to pay at a participating retailer.

STEP 3: Receive payment confirmation on your device.

Our mobile Card Control app offers convenience and security.

- ✓ Turn your debit card on and off
- ✓ Set up purchase alerts
- ✓ Set spending limits*
- ✓ Review recent transactions
- ✓ Restrict spending categories
- ✓ And, so much more!

*Per single transaction. Cardholder may not exceed their daily debit card transaction limit.
